What is House Bill 1295 ("HB 1295")?

The 84th Texas Legislature recently passed HB 1295, which enacted Section 2252.908 of the Texas Government Code. This new law prohibits a governmental entity or state agency from entering into certain contracts with a business entity unless the business first submits a disclosure of interested parties.

To whom does HB 1295 apply?

All "business entities" (sole proprietorship, partnership, or corporation, regardless if it for profit or a nonprofit entity) that enter into a contract with a "governmental entity" (city, county, public school district, or special purpose district or authority).

How does a business entity comply with HB 1295?

The Texas Ethics Commission ("TEC") has developed the following prescribed procedures:

- First, the business entity assesses the TEC website at <http://www.ethics.state.tx.us/File/and> completes form 1295 online, making all necessary disclosures required by HB 1295 Business entities will need to create an account the first time they login to the TEC system. Business entities MUST complete the Form 1295 online.
- Upon completing the form, the TEC website will generate a PDF version of the business entity's Form 1295, including creating a unique "Certificate Number" that is stamped in the upper right hand corner of the form.
- Then the business entity executes and notarizes a hard copy of the form and submits it to the governmental entity on or before the award of the contract.
