- The bid award shall be based on, but not necessarily limited to the following factors:

 - Special needs and requirements of Grimes County
 - Grimes County's evaluation of vendor's ability
 - Vendor's past performance record with any Texas county
- If this bid is accepted and approved by the Commissioners' Court, then this bid shall be incorporated into a contract. No oral agreements either expressed or implied shall be valid. No different or additional terms will become part of this contract with the exception of a change arising.
- The term of the contract may be extended for an additional year if amended in accordance with the "Amendment" paragraph within the contract.
- If offered, a one-year extension of the contract is contingent on the appropriation of necessary funds by Commissioners' Court for the fiscal year in question. Upon the failure of Commissioners' Court to appropriate funds in any fiscal year, this contract shall terminate at the end of the original term of the agreement or at the end of the current fiscal year, whichever occurs first, with no additional liability to the County. County and contractor agree that termination shall be the contractor's sole remedy under this circumstance.

What is House Bill 1295 ("HB 1295")?

The 84th Texas Legislature recently passed HB 1295, which enacted Section 2252.908 of the Texas Government Code. This new law prohibits a governmental entity or state agency from entering into certain contracts with a business entity unless the business first submits a disclosure of interested parties.

To whom does HB 1295 apply?

All "business entities" (sole proprietorship, partnership, or corporation, regardless if it for profit or a nonprofit entity) that enter into a contract with a "governmental entity" (city, county, public school district, or special purpose district or authority).

How does a business entity comply with HB 1295?

The Texas Ethics Commission ("TEC") has developed the following prescribed procedures:

- First, the business entity assesses the TEC website at <http://www.ethics.state.tx.us/File/and> completes form 1295 online, making all necessary disclosures required by HB 1295 Business entities will need to create an account the first time they login to the TEC system. Business entities MUST complete the Form 1295 online.
- Upon completing the form, the TEC website will generate a PDF version of the business entity's Form 1295, including creating a unique "Certificate Number" that is stamped in the upper right hand corner of the form.
- Then the business entity executes and notarizes a hard copy of the form and submits it to the governmental entity on or before the award of the contract.
