Grimes County Road and Bridge Report:

Road & Bridge is continuing the maintenance of roads throughout the County.

Mulched brush with the skid steer on Live Oak St.

Repaired bridge runners on CR 118.

Installed guardrail at the tank cars on CR 204 N.

Boom mow on CR 101, 102, 103, 215W, 246, 277, 419 and CR 420.

Crews have mowing on CR 102, 103, 109 and CR 118.

Cleaned up down trees around the CR 201 detour bridge.

The tree contractor has been removing dead trees on CR 164 and CR 174.

Lease trucks have been hauling base onto Pinebrook Drive, CR 201 and CR 201 Loop for 2015 Grant Program.

Processed the base on CR 201, CR 201 Loop and Pinebrook.

Crews have been delivering material to CR 103, 115, 131, 132, 134, 161, 165, 175 and CR 228.

Shot oil on the parking lot at the Fairgrounds for paving.

Drainage:

Ditch work was performed on CR 175, Loads 11 (LF 400), CR 176, Loads 21 (LF 500), CR 313, Loads 84 (LF 2,866), Elm St., Loads 10 (LF 400), Pinebrook, Loads 9 (LF 300).

Install cross culverts on CR 162 (24x30), CR 141 (15x24 and 1 load of base), CR 176 (18x30 and 1 load of base), Cleburne 1(30x25) and 3(30x30).
Side Ditching CR 132 (LF 11,860).

**Other:** R&B is working on closeout documents for the 2015 GLO CDBG grant project. Hurricane Harvey grant project – preliminary construction drawings are being reviewed and finalized.

Planning for Hurricane Harvey MIT grant application is underway.

**Subdivision:** Several developers have approached us regarding larger subdivisions in the central portion of the county. Nothing formal has been filed yet, however.
