Governor Gregg Abbott declared a state of disaster for all counties in Texas due to COVID-19. On March 16, 2020 Governor Abbott issued a statement granting a temporary extension to obtain initial registration, renewal of registration, and renewal of a permanent disabled parking placard, as well as a temporary extension for an individual with an expired 30-day permit. This waiver is in effect until 60days after the notice is provided and applies to all counties.

You have the option to renew your registration on-line or by mail. Once your renewal is processed, we will mail you the receipt and registration sticker.

If you have title work that needs to be processed you can email copies of your documents to taxoffice@grimescountytexas.gov, we will view your documents and tell you if any additional information is needed and how much it will cost. You can then mail in your paperwork to; P O Box 455, Anderson, Tx 77830. We will process it and mail you back your receipts, registration sticker and plates, if applicable.

I am sorry for any inconvenience that this has caused you, but I must help keep my office and Grimes County residents as safe as I can.

Respectfully

Mary Ann Waters
