GRIMES COUNTY CEMETERIES

BOOK ONE

Which Covers the Northernmost Part of the County

PLUS

One Cemetery in Richards, Texas

Compiled by John R. Maxwell for the

GRIMES COUNTY HISTORICAL COMMISSION

2nd Edition 2002

Based on old records, grave markings, and memory, every attempt has been made to compile as accurate a listing of gravesites as possible within Grimes County. If errors were made in the course of our task, we would like to apologize, for none were intentional. Our only goal is to, in some small way, preserve the history of our county, if only in the listing of those who lived and died here.
To the many dear, departed loved ones of Grimes County whose mortal bodies rest in unknown graves, we do fondly dedicate this book number one of Grimes County graves....

The Grimes County Historical Commission

Deuteronomy 34: 5-6

So Moses the servant of the LORD died there in the land of Moab according to the word of the LORD. And HE buried him in a valley in the land of Moab, over against Beth-pe-or: But no man knoweth of his sepulchre unto this day.

BEDIAS INDIAN CEMETERY

From "Early History of Grimes County" by E.L. Blair PP. 35-36

The largest Bedias Settlement (of Indians) seems to have been in the northern portion of Grimes County and partly in Madison County near what was known as Spivey Lake in the region of Black Lake Slough. This camp seems to have served as a tryst for roving bands that frequented this region. The writer is told that a road crew while cutting a road through from Bedias to Madisonville found a large collection of Indian Skeletons and some equipment thought to have been buried there after a battle with the Mexicans.

BONEY FAMILY CEMETERY

copied March 1991. To reach the cemetery take FM 1696 east out of Bedias. Turn left on County Rd. 134 and go 2.4 miles. Turn left on County Rd. 132 and go about .4 mile. Graves are within an iron fence to left in the pasture.

CAMMACK CEMETERY

Researched by Mrs. Betty Dean - July 1980
Compiled by Mrs. Gussie Hopkins

To reach the cemetery as of March 1999 take FM 39 north from Iola. When you reach FM 1372 turn right and go past Willow Hole Cemetery to Grace Bible Church which is in the Cammack Community. The cemetery is behind the Church within a small wire fence.

There are no other markers, however his wife and child are said to be buried beside him. It definitely looks so.
CONCORD CEMETERY

This cemetery is located on FM 1696, going East toward Bedias on the right hand side. It is easy to spot.

CORNER - CARTER CEMETERY

Corner cemetery. Northeast of Bedias, Texas. Copied September 26, 1986. Go East out of Bedias on Highway 1696. Turn left on Grimes County Road 137. Continue down the road almost 2 miles to the first road to the right (about 5 mail boxes here). Turn and go approximately 1/2 mile. Turn right again. Go .9 miles, then turn left. Go 2.3 miles and turn right on a pasture road. Go through the gate (not the metal gate). Two feeders on each side. After you see the tank (pond) on the right, take the left road. Turn off the road to the right when you see a road between two oak trees. Follow road to cemetery.

Thanks to Mr. Robert Slaborough of Cotton Community near Bedias for directions to the cemetery.

There are several graves, maybe 10 in all with no stones, only field stones.

THE OLD SPRING HILL FREE WILL BAPTIST CHURCH
AT CROSS CEMETERY
IN
GRIMES COUNTY, TEXAS

Cross cemetery is located one fourth mile west of Highway 39 on Grimes County Road 102. For whom the Cross Community and Cemetery is named is not known to this writer.

At the turn of the Century, Spring Hill Free Will Baptist Church stood in the northwest corner of the present cemetery. A school by the same name was active about one half mile west on the same County Road 102, also known as Democrat Crossing Road.

When the Cross School was discontinued, the building was conveyed to the members of Spring Hill Free Will Baptist Church. The old church at the cemetery was torn down and services were held in the larger school building. The church then adopted the name Cross.

The church continued to prosper, and at the present time, a beautiful modern sanctuary graces the center of the Cross Community marking the spot where many memories of those whose lives were touched by the community known as Cross were made.

In addition to a school and church, Cross also had a depot, drug store, blacksmith shop, gin, Woodmen of the World Hall, and two to three stores.

The people of Cross, have for the most part, been farmers and ranchers. Other professions included, doctors, teachers, ministers, and artisans such as blacksmiths, and carpenters.

The oldest marked grave in the Cemetery is that of C. F. Wilson who died on August 14, 1903.

As of July, 1987, 214 grave sites have been identified. These include unmarked and future grave sites marked by double stones.

It is our intention to identify all graves not marked in this cemetery. Many people have come forward to help us document graves marked only by a stone. This will insure two things: first, that a permanent record of the individual will be be preserved for future generations and second, that the unmarked graves will not be opened by mistake for future burials.
The cemetery is rectangular and measures approximately 403 x 177 feet. We divided it into eight sections of approximately 50 feet starting at the east end as Section I. As none of the graves are in perfect rows, it proved most difficult to record them as such.

Any persons with knowledge of grave sites not recorded herein are respectfully requested to notify Charles or Ilene Gentry, 26 Sara Lane, College Station, Texas 77845, telephone number 409-776-8900.

The Cross Cemetery Association maintains the cemetery. It meets the second Sunday in July at the Cross Free Will Baptist Church. At the current time, the Association is establishing a perpetual care fund, which when properly endowed, will provide maintenance of the cemetery grounds for years to come. Until such time when the perpetual fund is sufficient, the cost of maintenance will come from donations and money collected at the July meeting.

This record has been compiled by Charles and Ilene Gentry for the Cross Cemetery Association.

Aug. 15, 1844-Dec. 2, 1933        Sept. 4, 1853-Nov. 12, 1925

The reason that the Davis's are buried across the road from the other graves is as follows. The Enon Missionary Baptist Church once stood at this location as well as the Zion Masonic Lodge # 313 and an institution known as the Stonewall Jackson Ins. When the membership began to discuss moving the Church up the road Mr. Davis was not in favor. He however went along with the move. But when they later decided to move it into Iola he withdrew his membership. He took his Church letter and put it in his trunk. Therefore he died a "Trunk Baptist" He requested that at his and his wife's death that their bodies be placed on the location the Enon Churches pulpit formerly stood. This data obtained from Inez Hammond of Iola.

PANKEY CEMETERY

This cemetery is located near Iola, Texas. Travel out of Iola on Highway 39. Turn right on 1696. Pass Concord Cemetery on the right. Pankey-Shiloh is on your left about 2-3 miles East.

Copied October, 1986. Other graves added in 1999. After 1986 the cemetery rows were reworked so some graves may be difficult to locate.

PHILLIPS CEMETERY

This cemetery is a family cemetery and is located about nine (9) miles from Madisonville, South on Highway 90, just over the Grimes County line. It is East of the family home on the left side of the highway.

Compiled by Mrs. Gussie Hopkins, of Madisonville

JONES, Thomas Verna
(Son of Velma and Carrie Jones and Husband of Margie Phillips)
THE PLASTER-ROSS CEMETERY

This is a pre-Texas cemetery. Two slaves were buried here in the winter of 1835. Thomas P. Plaster's family held a Mexican grant and he was at the battle of San Jacinto, manning one of the cannons. His Mother, Margaret, was buried in this cemetery on July 4, 1844. There are forty-five marked graves and seven or more unmarked. It is located about three miles north of Bedias, Grimes County, Texas off State 90 and County 142 about one mile in Will D. Smith's private property across Sims Creek.

In 1985, the Plaster-Ross Reunion Association was formed to promote family unity and to care for this Historic Cemetery. V. S. Robinson and wife Sue Ross, erected a Texas memorial plaque to Thomas Plaster who is buried in Austin, Texas: C. Shack Ross, killed in Italy WWII: Tommie E. Ross died captive in Korea. President and co-ordinator, Ruby Ross Bowman: 6003 Deepwood, Houston, Texas 77023. V. S. & Sue Robinson, treasury and maintenance: Paul & Mildred Brum, Lance Salge, secretary and bookkeepers. Theron Plaster of Madisonville, Texas holds the deed for the acre and is the security officer.

To get to this cemetery take Highway 90 North out of Bedias and turn right on Grimes County Road 142.

Copied June 5, 1986.

TAYLOR ISLAND CEMETERY

Located off C.R. 106 & C.R. 105

On a hill dotted with Post Oak trees lies a small family cemetery on land once owned by William Taylor, Sr. It is located about three miles Southwest of Iola, Texas, near the Navasota River and is believed to have acquired the name Taylor Island because it was surrounded by water when the "Navasot" flooded.

This burying ground is centered by a marble shaft, without which the cemetery could not be found. The tombstone is a four sided marker with epitaphs on all sides.

On the North side is cut:

This stone occupies the center of 80 feet square of land and holds it sacred to the memory of the names here on.

William Taylor Sr.
Born in Devonshire, England in the year 1808.
Emigrated to Texas in the year 1849.
Died in Grimes County, March 6, 1875, Age 67 years.

On the West side of the stone:

Wives of Wm. Taylor Sr.
Died
Elizabeth - August 22, 1858
Louisa M. - August 14, 1864
Margaret A. - April 4, 1876

On the South side it reads:

Children of Wm. and Eliz. Taylor
Elizabeth - Susan - Mahala
Infant daughter of Wm. & M. A. Taylor
Cathrine F. Tillery Daughter of Margaret Taylor

On the East side of the stone was devoted to the first wife and children of Robert, son of William Taylor Sr. It reads:

Lucinda
Wife of R. Taylor. Born November 10, 1846 Died May 6, 1868
Infant of R & L Taylor September 21, 1861
Rosina E. Daughter of R. & L Taylor Born March 19, 1864
Died February 3, 1865

There were apparently twelve graves in this plot, five adults and seven children. The corner markers of the cemetery are found as indicated on the tombstone. Several graves have head and foot markers, but no inindividual tombstones or names on the markers. The center tombstone was reported to have had a stone Bible mounted on top. Indications of this are found, but the stone Bible is missing.
WILLIAMSON CEMETERY
Also known as Cedars Cemetery

To reach the cemetery take FM 39 from Iola north to Cross. Turn left on Grimes County Rd. 102. Follow for several miles to Grimes County Rd. 101. Turn right. This road will cross into Madison County. When you reach FM 1372 turn right onto dirt road. Go .2 mile to gate on right. Turn and follow pasture road until it divides. Stay to the left and follow to cemetery. You can also come in from Madison County on FM 1372.

Cemetery was first researched by Mrs. Maxine Connor and Mrs. Gussie Hopkins. Also researched by John R. Maxwell, March 1999.
