GRIMES COUNTY CEMETERIES

BOOK TWO

Which Covers The North & Central Part of the County

Compiled by John R. Maxwell for the

GRIMES COUNTY HISTORICAL COMMISSION

1997

Based on old records, grave markings and memory, every attempt has been made to compile as accurate a listing of grave sites as possible within Grimes County. If errors were made in the course of our task, we would like to apologize, for none were intentional. Our only goal is to, in some small way, preserve the history of our county, if only in the listing of those who lived and died here.
To the memory of Fred Taylor & Garland Mitchell who died in the year 1992, we do fondly dedicate this book number two of Grimes County Graves.

The Grimes County Historical Commission

GENESIS 35: 19-20

And Rachel died, and was buried in the way to Ephrath which is Bethlehem. And Jacob set a pillar upon her grave, that is the pillar of Rachel's grave unto this day.

This book is number 87 of 100 limited edition copies.

APOLONIA CEMETERY

This cemetery was formed in 1869 and was known as Pine Grove for the Pine Grove Baptist Church here. In 1929, when the church was disbanded, the cemetery was renamed APOLONIA for the area's then defunct post office.

The cemetery is located one half mile off FM 2819, on County Road 214. Land for the cemetery was donated by J. L. Mansfield and his wife Eveline Mansfield to George D. Neal, County Judge and his successors in office to be used by the Baptist Church and surrounding community as a burial ground. With the land was given all rights, titles and claims forever.

In 1971, a cemetery association was organized. Mrs. Helen A. Sims, President; Mrs. Mattie Bennett, Secretary-Treasurer; Mr. W. N Fabian, Caretaker. The association has about 50 members throughout Texas.

An Apolonia Homecoming is held each year at the cemetery, on the last Sunday in September (was originally held on the first Sunday in October). Each family brings a picnic lunch and uses the picnic tables.

The first county soldier to be killed in World War One, Brosig T. Wasson, is buried there.

When the burial ground was first opened, a small boy who was ill remarked he would hate to be buried in those pines. True or not, a Mr. Edd Hoby cleared the pines and very systematically planted very pretty cedars which are now beautiful shade trees.

This information was taken from the historic narrative prepared by Mrs. Mattie Bennett and Mrs. Helen A. Sims.

At present, the current officers of the cemetery association are:

W. N. Fabian, Jr., President
331 Moore, Navasota, Texas 77868
(409) 825-3479

John P. (Rusty) Fabian, Vice President
1006 Briar Lane, Navasota, Texas 77868
(409) 825-3038

Mrs. Mattie Bennett, Treasurer
1405 E. Washington, Navasota, Texas 77868

Mrs. Linda Fabian Pederson, Secretary
255518 Chapel Ridge Lane, Spring, Texas 77373
(713) 350-3694.

On February 13, 1984, the County Judge, of Grimes County, gave the cemetery a warranty deed from the county.

This article, in its original form, appeared in the book "Heritage and Progress, A History of Grimes County, Texas" published by the Grimes County Historical Commission in 1982. Following are the names of people buried in the cemetery. The original list which appeared in the above mentioned book was updated October, 1992, by John R. Maxwell.

To reach this grave you would go north on FM 244 from Keith toward Iola. Turn left (west) off 244 onto Grimes County Road 109 and go 1.8 miles to a cattle guard on the right. Go over the cattle guard and follow the fence on your left. When it changes direction, turn and go north. The grave is on a hill under or near a tree. The people responsible for knowledge of this grave are Mrs. Jewel Stover and Mrs. George (Inez) Hammond, both of Iola. A descendant of Robert Barker is Jay G. Lunsford of 4605 Kinglet Street, Houston, Texas, 77035. He is now deceased, but his wife, Betty Lunsford, is still living.

BERRYMAN CEMETERY

The first cemetery for Blacks was located in Anderson near the home of Lawyer Meachum.

On July 26, 1888, Lawyer Meachum deeded a tract of land about 2 1/2 miles from Anderson and 1/4 mile from Highway 90, to Steve Ragland, Thomas Lindley and John White, Trustees of the 2nd Colored Baptist Church, for a burial ground for the Black people.

The deed is in the Grimes County Courthouse, in Anderson, Texas, in Volume 32, page 569.

The plot of land was fenced recently to replace the old fence. It has been fenced ever since it was given to the Black People.
BERRYMAN CEMETERY

Negro cemetery, established, 1888. Go out of Anderson on Highway 90 west, toward Navasota. Turn left on County Road 447. The cemetery will be on your right. Copied Nov. 5, 1986.

Bethlehem Church has two cemeteries, the "Old Cemetery" and the "New Cemetery". At one time there was a church, school and cemetery located where the old cemetery is today. When highways were built, the church was moved to a new location (on HWY 90 near Roans Prairie) and a new cemetery was opened up. Most of the old "Pioneers" of the church are buried in the old cemetery.

Some of the people buried in the old cemetery are husbands and wives as follows:

There are other buried in the New Cemetery, but the markers are gone.

Bethlehem has organized a Cemetery Club which sponsors an annual Cemetery Benefit on the 3rd Sunday of July each year. Friends and relatives of the deceased are contacted to contribute to this program. The money is used to keep up the two cemeteries. The officers (in 1982) are Major, White, Chairman; Bob Johnson, Co-Chairman; Goldie M. White, Secretary; Welma M. White, Treasurer.

This account was taken from the book, Heritage & Progress, A History of Grimes County, Texas, compiled by the Grimes County Historical Commission.
BLACK FAMILY CEMETERY

Compiled by John R. Maxwell of Keith, Texas.

Take FM 244 from Carlos going south. When you reach Highway 90, turn right. Go .2 miles and on the right there will be a small grove of trees and a pasture fence. That is where the graves are, although not one stone remains. At the time I visited the site, the land was owned by Irving Bradley of Anderson. He is now deceased.

The two graves are:

BLACK, John S., Sr.
1790 - 1855

BLACK, Mary Bingley
1798 - 1868

Further information on this cemetery may be obtained from the book, Heritage & Progress, A History of Grimes County, Texas, published in 1982, by the Grimes County Historical Commission. A copy is in the Navasota Public Library in Navasota, Texas.

BOWEN FAMILY CEMETERY

To reach this cemetery take FM 1774 east out of Anderson to FM 1819. Turn left and go about 1.0 miles to a drive on the right. County Road 222 is to the left. Go through the gate and follow the pasture road to a cattle guard and fence. Turn right beside the fence and follow it to another fence and gate. Continue through the gate to a grove of trees and bushes to the cemetery. The land is currently owned by O. B. Smith of Anderson.

ADDITIONAL DATA ON THESE PEOPLE

J. Partick Barton and Jeff Davis Barton are listed in the 1870 census of Grimes County, Texas, on page 321 in the household of David and Aurelia Barton.

Ann Terrell Randle is listed in the 1860 census of Grimes County, Texas. Listed in her household were Richard and Lizzie Randle. According to the book, Saga of Anderson, Ann Randle united with the Anderson Baptist Church, September, 1855 on a transfer of membership from Washington Baptist Church. A descendant of Ann is Marcus Mallard of Navasota and Anderson. Martha J. Bowen is listed in the household of Thomas M. Bowen in the 1850 census of Coweta County, Georgia, on page 288.

According to the book, Heritage and Progress, A History of Grimes County, Texas, page 237, published by the Grimes County Historical Commission in 1982, Thomas McCoy Bowen and wife Martha Terrell came from Coweta County, Georgia, in the early 1850's. After her death, he married her younger sister, Ann Catherine, born October 14, 1835, and died December, 1906, in Navasota, Texas. She is buried in the Oakland Cemetery, Block H, Lot 4, grave 11.

Thomas McCoy Bowen served in the Civil War under the command of Captain A. D. Storey. His date of death was secured from the estate records of Grimes County, Texas. The two children, Joel C. Bowen and Sarah C. Bowen were living at the time and were deceased by the 1870 census.
BYRNE CEMETERY

Copied by John R. Maxwell of Keith.

To reach the cemetery turn off FM 244 in Keith onto Country Road 166. When the road ends, turn left onto County Road 164. Go one mile and turn left into a gate with the name Minter beside it. Follow the pasture road to the cemetery.

Once in the cemetery, some of the graves may be a bit difficult to find. You will come to the white section first. They are, for the most part, grouped together. The one Byrd headstone is at the foot of the ABLE double headstone over the fence. The Negro Section will begin with the MIERS graves. Keep going south and you will come to a barbed wire fence. The BURNS-TURNER GRAVES are to your left in a different pasture and the PETERS grave is straight ahead over the barbed wire fence.

CIVIL WAR CEMETERY

Compiled by John R. Maxwell of Keith.

This cemetery is located in Piedmont, Texas. From the intersection of FM 244 and FM 3090 go 5 miles on FM 3090 past the Allen Cemetery. The cemetery will be located on the right side of the highway.

On property now owned by Adrian Allen, in the Piedmont Community, on what was once a health resort, to the right of a historic marker and back of the old swimming pool, there is a graveyard with eight or nine Confederate soldiers interred therein. The following is an account taken from an article that originally appeared in the Navasota Examiner on April 4, 1940, and later reprinted in Elliott Goodwin's column, "Did You Know", on June 27, 1991, also in the Navasota Examiner, in regards to the Piedmont Springs Health Resort.

In April, 1865 the Walker Division of the Confederate Army encamped there for several days, and it has been ascertained that General Beauregard and his staff were earlier stationed there. The parlor and the ballroom, where once gaiety and laughter filled the air, were converted into a hospital.

Many of the high officers accompanied by their wives boarded at the two story cottage * with Mrs. (Wade Hampton) Alsbrook.

Several of the sick died, and after the soldiers left, she and the other women staying there with her, discovered eight or nine fresh mounds of earth piled upon the bank above the springs.

Another source, Ross Allen Jarvis of Carlos said there were several tombstones, surrounded by a white picket fence, but at this time, not one stone remains. The remains of the pool are still visible.

A third source, Marcus Mallard, of Anderson and Navasota, states that there are also Union soldiers buried in this cemetery. They also used the hotel for a hospital after the Confederates left the area.

* This cottage was not the hotel itself, but a separate structure on the grounds of the resort. The hotel was a four story structure. It was constructed on a heavy stone foundation. The first story was stone and the other three were wood frame. The ballroom that was converted into a hospital measured 100 by 50 feet.
COOK CEMETERY

Copied by John R. Maxwell of Keith.

To reach this cemetery, turn off FM 244, in Keith, onto Grimes County Road 172. When the road divides, stay to the right. Pass the Evergreen Free Will Baptist Church and Cemetery. After you pass the church, go one mile. There will be the main road that will bend to the right and another road that continues straight. Keep straight to the first road (South Fork) and turn right. Go on to the first road to the left (Rodomel Ranch Road) and turn. Go .6 mile and turn right. Go .4 mile to Balusek Blvd., also called John Rice and turn right. Go .5 miles to Oak Drive and turn left. Follow Oak Drive for .3 miles to the cemetery on the crest of the hill. Small wooden house behind cemetery.

Sophia (Hanley) Cook
(wife of Elias Pinkney Cook)
born 1830 (in Florida)
died October 28, 1853.

* Alexander Pope,
husband of Mary Zoporah Flynt Pope.

The grave of Sophia may be moved to rest in Martins Prairie Cemetery beside her husband and his second wife Elizabeth Eaves Cook.

* Possible burial.
COUNTY POOR FARM
CEMETERY

Compiled by John R. Maxwell of Keith.

The cemetery is located in Anderson, Texas. From the intersection of FM 244 and Highway 90, go about .4 of a mile on Highway 90 north, to the first brick house on your left. This house is on land that belonged to the poor farm. No known records were kept of the people buried here and the people buried there are unknown. The poor farm was also used as a place of execution where convicted prisoners were put to death by hanging. They were also buried there.

There is, across the highway from the house, another place with the sign "The Poor Farm"; it is not the County Poor Farm of this discourse.

The County Poor Farm was mentioned in passing, in the minutes of Commissioners Court on Jan. 1, 1927. This mention is in Book J, page 243, of Commissioners Court Minutes.

This burial in the cemetery is taken from county death records.

JENKINS, Marie
Died Jan. 30, 1931

DARBY CEMETERY

This small cemetery is located on what is locally known as the "Rock Road." Around the turn of the 20th century a railroad road through the are on its way to Iola and Madisonville. After the railroad was taken up the rock roadbed remained and became a county road. Thence the name "Rock Road", officially it is County Road 164. The exact location is unknown but it is on the west side of the road going north from County Road 162. To reach 162 turn east off FM 244.

Those buried here would include the following:

DARBY, Francis J.
Jan 2, 1822 - June 15, 1885
Wife of A.M. Darby

DARBY, Arthur M.
April 6, 1812 - July 12, 1885

Their tombstone still survives and is presently in Zion Cemetery in Iola. After the cemetery fell into disuse and the tombstone was damaged it was removed by John J. Darby and taken to his house. In 1997 the marker was set in Zion Cemetery. Arthur M. Darby was a Master Mason. He was initiated in Navasota Lodge as an Entered Apprentice Mason, as a Fellowcraft Mason. He was raised to the Master Masons degree September 21, 1872. Among his sons were J.W., Thomas J. Sr., D.A. and W.R. Darby.

Arthur M. Darby was first married to Harriet P. She was born about 1823 and died about 1854-1857. Her place of burial is uncertain. Perhaps same cemetery.

HILL FAMILY CEMETERY

To reach the approximate site of this cemetery you would go east on 149 toward the town of Richards. After you pass the road to your left that leads to the Fairview Cemetery there is a house on the right owned by Mrs. Walter Brown. Just a bit past her residence in the pasture is where the cemetery is located. At one time, the graves were marked and an iron fence surrounded them but nothing remains at this time.

"The site of this cemetery which is in the Richards area has long ago been plowed up but a tree marks the location. This account of the Hill cemetery was taken from the book, Heritage & Progress, A History of Grimes County, Texas, published in 1982 by the Grimes County Historical Commission. The Hill Family History will be seen on pages 338 & 339. It was written by Mayme Bradley Farris. She is now deceased.

Additional information was obtained in a telephone conversation with Mrs. Orval (Jewel) Kirkham of Wellborn, Texas, a Hill descendant. The following data on people buried in the cemetery was secured.

HOBODY PLACE CEMETERY

Compiled by John R. Maxwell.

To reach the approximate location of this cemetery, take FM 2819 out of Anderson. Continue past Yarborough Chapel on the right side of the highway. On the county map, this church is called Arbor Chapel. The first gate you come to is the entrance that Charles Whatley and I took to reach the cemetery. We walked south and then crossed a pasture fence into another pasture. We finally reached the site of the Hobdy homesite. The old house is gone, but evidence of human occupation remains. The cemetery is down the hill (west) from the homesite.

At one time, there was an iron fence which contained four graves, but no evidence of fence or tombstones remain at this time. Mr. Whatley said that he understood or was told, that the people buried there were the grandparents of Mattie Hobdy Bennett. She died in 1993 in Navasota, Texas. She is buried in the Fairview Cemetery near Richards.

Mrs. Bennett's father was John Thomas Hobdy, son of John Hobdy and Anna Cone. They are buried in the Odd Fellows Cemetery in Anderson. The father, John Thomas Hobdy, is buried in Apolonia Cemetery.

Mrs. Bennett's mother was Mary Elizabeth Hardy. She is buried in Fairview Cemetery near Richards. Her parents were ____ Hardy and Martha. Therefore, it is probably the Hardy grandparents buried on this site.

Mr. ____ Hardy

Martha Giles Hardy (Mrs. Hardy was first married to ____ Giles)

There are also two other unidentified graves.

KELLM SPRINGS CEMETERY

Compiled by John R. Maxwell from data supplied by Mrs. Barker and others. Go down County Road 176 in Singleton 1.9 miles to where COUNTY ROAD 176 and 177 join. Turn left and continue to the end of the road which will end in a locked gate. On your right the remains of the Old Kellum Springs Hotel may be seen. The old wooden house is not the original building but a more recent structure. Go through the gate and follow the pasture road over a small bridge. After you cross the bridge, go about .5 mile to a fence that is partly down (on your right). Go through the fence and ahead in and around an overgrown plot is the cemetery. Part of the foundations of a brick vault and a wood gate are all that remains. The headstones were removed long ago according to Hershell Perry of Singleton.

At one time, people thought money was buried in the cemetery and dug up the burial ground, looking for the treasure they thought Nathaniel K. Kellum had buried.

I was directed to this cemetery by Russell Butaud of Singleton who has the land leased from Mrs. Wes Barker of 714 W. Alice Ave., Kingsville, Texas 78363. The following is her account of the cemetery.

Dear Mr. Maxwell,

Here is the list of the people who are buried in the Grimes County Cemetery.

1. My grandmother Hope Whittaker Cotton Pope (died Sep. 25, 1899).

2. Her first husband, Tom Cotton (died, 1879).

Two of their children.

3. Tommy Cotton (& Number 4)

4. Elmira Cotton both were in their teens. They did not die together but as a result of riding horseback. I think that Tommy died of an infection on his arm. My Grandfather Pope (R. C. Pope) loved this boy very much my mother said. She also said there was a place known as Tom Cotton Hill where Tom (SR.) was slain in ambush.

My grandmother Hope Cotton bought Kellum Springs when she was a widow. Pope was in the Civil War in the Cavalry.

5. Fannie Arnold James Cotton Lugee (1831 - 1888). She and her daughter married brothers. Then Lugee rode off on a horse and was never seen again. My son always thought this very funny. No doubt he was shot.

6. A black woman who worked for them.

7. A man who stayed at the hotel which was at Kellum Springs earlier. His daughter from some other state wrote my mother that she would like to move his body--said he would be known by his long golden hair. I recall the letter but my mother answered and told her no one would know the location of his body.

8. Nathaniel K. Kellum (born 1812 - died on or about Oct. 12, 1862) He was a brick mason and built the vault for himself and it was in good condition when we lived there.
It was a farm then. We moved there from Galveston and lived there four years. We moved to Mathis about 1920.

9. Elvira Cotton Kellum, wife of Nathaniel K. Kellum and sister of Tom Cotton. She died Summer, 1870. My mother said they were separated. She thought she went to Cuba to teach school. She is not buried in the vault beside it.
KELLY FAMILY CEMETERY

Take FM 2819 east out of Anderson to the intersection of FM 2819 and 1774. Continue on FM 2819 and go 3 miles to a driveway on the left with a white brick entry. Follow the driveway to the barn and continue on the drive almost to the house. Turn off the drive into the pasture. The cemetery can be seen as you approach. There is a black iron fence around the graves.

KENNARD CEMETERY

Copied October 25, 1986 by John R. Maxwell of Keith, Texas.

Go out of Roans Prairie on Highway 30 east. Turn right on Highway 2562. The cemetery is 2.5 miles on the left hand side of the road. There is a brick house on the right. A chain link fence is around the burial plot.

LAKE GROVE CEMETERY

This cemetery is located in the Mesa Community between Keith and Iola, off FM 244. To reach the cemetery take FM 244 south out of Iola. Turn left about 5 miles out of Iola on Grimes County Road 162. When the road ends, turn right and follow the road to the cemetery. A large brick entry sign is on the left side of the road.

Lake Grove Cemetery information started June, 1982, taken by Billy and Bessie Dee Mitchell from markers. Additional information was given by Claude and Oma Worsham and Mrs. Edward Woods and John R. Maxwell.

Bessie Dee Worsham Mitchell was told that the first grave in the cemetery was that of Mrs. Gown and the second was Mrs. Tubb.

Land for the cemetery was given by Seamon Williams, Pastor Jeff Darby and Mr. Wallace. A Methodist Church once stood on the grounds where the present Lake Grove Chapel now stands. It was operated by the Zion Methodist Church in Iola.

This cemetery apparently served the Mesa Community as well as the Cawthon Community. Cawthon is about a mile east of the cemetery in the area where Mr. and Mrs. Edward Woods live.

* Indicates a grave not marked with a tombstone.

LOST CEMETERY

Think of the most unlikely place that you would expect to find a group of gravestones and that is where you will find this group of tombstones.

On Victoria Street, in the town of Navasota, at the home of Mr. and Mrs. D. R. Parsons, at the intersection of Victoria Street and HWY 3090 the following tombstones may be found.

The markers were found under the house when the Parsons purchased the property. They were placed on the front lawn and an iron picket fence erected to enclose them.

Any person having knowledge of the original place the markers rested are asked to contact John R. Maxwell, Rt. 1, Box 613-M, Keith Community, Iola, Texas 77861. (409) 394-8273.

The markers are as follows:

MCARDLE, Mrs. Jennie
Died April 7, 1870
(Daughter of Wm. B. Smith of Albemarle County, VA)

PRATT, Kattie H.
Died September 12, 1896 - Aged 31 years

LANGE, August
Born November 25, 1876 - Died November 24, 1878.
(Son of H. and J. Lange)

LEWIS, Victory A.
Died August, 1887 - Aged 8 Yrs

LEWIS, Nancy Ann
Died August, 1887 - Aged 10 Yrs

G.P.H. (Footstone)

S.E.H. (Footstone)

Some of these people have been identified as follows:

August Lange is listed in the church records of Zion Lutheran Church in Anderson as the son of Henry Lange and wife Johannah Mann Lange. The Lange family came to America from Prussia and lived in Anderson for the rest of their lives. They are buried in the Odd Fellows Cemetery in Anderson.

There is a marriage record for a Katie Fountain to Elmore Pratt in Book 5, Page 207 of Grimes County, Texas. The date is May 30, 1884. There is also a Catie Fountain, age 15, in the 1880 census of Grimes County in the household of Dick and Hagar Fountain. She would be the right age to be the Katie Pratt who died in 1896, age 31 years.

The following census of the Fountain family is the one referred to in regards to Katie Fountain Pratt.

Dick Fountain
Negro, Male, Age 36,
Teacher-Farmer, Born Virginia

Hagar Fountain
Negro, Female, Age 32, Wife,
Born Virginia

Catie Fountain
Negro, Female, Age 15,
Daughter, Born Texas
Sally Fountain  
Negro, Female, Age 13,  
Daughter, Born Texas

Nanny N. Fountain  
Negro, Female, Age 9, Daughter,  
Born Texas

Dick Fountain  
Negro, Male, Age 7, Son, Born Texas

Ida Fountain  
Negro, Female, Age 3, Daughter,  
Born Texas

Ollie Fountain  
Negro, Female, Age 1, Daughter,  
Born Texas

The following census in 1900 will connect the Catie (Katie) Fountain and Elmore Pratt, the head of the household.

Grimes County, Texas, Navasota, Texas,  
PCT. 3

Elmore Pratt  
Born Mar., 1875, Age 25, Texas

Nannie Fountain  
Born October, 1870, Age 29,  
Texas, Sister-in-law

Lucy Pratt  
Born March, 1886, Age 13,  
Texas, Daughter

Nannie Pratt  
Born April, 1888, Age 12, Texas,  
Daughter

Roxie Pratt  
Born January, 1890, Age 10,  
Texas, Daughter

Elmore Pratt  
Born Mar. 1896, Age 4, TX, Son

Ida Fountain  
Born September, 1890, Age 9,  
Texas, Niece

Dick Fountain  
Born October, 1875, Age 24,  
Texas, Brother-in-law

Jack Fountain  
Born October, 1884, Age 15,  
Texas, Brother-in-law

Onil Fountain  
Born December, 1886, Age 13,  
Texas, Sister-in-law

The data at the end of each person indicates their relation to Elmore Pratt, the head of the household.

No data has surfaced in regards to Mrs. Jennie McArdle who died in 1870. Note that she was born in Virginia and that Dick and Hagar Fountain were also born in Virginia. Could there be a connection?

Also in the 1870 census of Washington County, Texas, town of Independence, there is the family of:

Harry W. McArdle  
White male, Age 40, Born Ireland

Josephine McArdle  
White female, Age 30, Born Virginia (Wife of Harry)

Also four white children all born in Texas  
Finally, the children Nancy Ann and Victory Lewis have not been identified.
The story is told that the home now owned by the Parsons family was occupied by Charles Rowland. In the year 1902, Charles Rowland worked as a section foreman for the International Great Northern Railroad. He was in charge of building a branch line from Navasota to Madisonville, which required him to pass through the corner of an old cemetery.

Afraid he would be put in jail, Rowland took the headstones which were removed and hid them under his house where they were later discovered by the Parsons.
MABRY CEMETERY

This cemetery is in the Carlos area in what was once the Dry Creek Community. The cemetery, which contains 4 acres is surrounded by the Texas Municipal Power Agency. Permission to visit the cemetery at the present time can be secured by calling Jim M. Schoultz 409-873-2013. The graves cover about .5 acre of the four acre tract. After mining operations around the cemetery are finished TMPA plans to reopen County Road 190 to allow access to the cemetery.

This cemetery was first visited by myself (John R. Maxwell) on April 8, 1987. I was taken there by Ross Allen Jarvis on Carlos. It was re-visited on February 3, 1993 by John R. Maxwell and officials from TMPA.

This cemetery is located in Keith, Texas. Turn off FM 244 onto County Road 172. The road will divide. Stay to the left. The cemetery is about 1.5 miles down the road on the right. The Martins Prairie Missionary Baptist Church is on the left.

MILES FAMILY CEMETERY
ALSO KNOWN AS
THE STUCKEY FAMILY
CEMETERY

Compiled by John Ray Maxwell of Keith. This cemetery is located on Highway 30 going west toward Bryan. Before you reach Carlos, you will cross over Panther Creek bridge (bridge before Navasota River bridge). Up in the pasture on the right, you will see a tin hay barn. Somewhere on that place there is a small cemetery with four graves. It is thought to be the Miles Cemetery. In a deed from the Templeman heirs to R. P. "Bob" Trant, it states that out of the 100 acres, 1/2 acre is set aside for said cemetery. None of the graves have tombstones.

According to Michael Stuckey of Richmond, VA, Benjamin Stuckey arrived in Grimes County on the run from the law in Mississippi. A posse sent by the law was ambushed and killed by Stuckey and friends. Then one day, a lone gunman arrived at the Stuckey home, shot and killed Ben Stuckey and made his escape.

Information for this cemetery was obtained from Harold B. Trant of Keith and Ross Jarvis of Carlos.

The graves are identified as being

MILES, Joe

STUCKEY, Benjamin
1818 - 1856

STUCKEY, Nancy Harrison
1828 - 185_
(First wife of Benjamin Stuckey. Probably buried here as well)

TWO INFANTS
Names Unknown
MINOR-FOREMAN CEMETERY

From the intersection of Highway 90 and FM 244 go northwest on 244 for .8 miles to a cattle guard on the left. Go down the pasture road through two gates. When you go through the second gate, leave the road and go straight ahead into the pasture to the far fence. When you reach this fence turn right and follow the fence line to another fence line. Go through another gate and follow the cow path through the bushes. The cemetery is to the right of another fence line.

This cemetery is on land owned by Bill Bay of Navasota. It was visited on January 28, 1992 by Ed Searce of Navasota, Texas and John R. Maxwell of Keith, Texas. They were guided by Bill Bay.

According to Cecil Cummings of Anderson, this cemetery was begun by John Black Sr., as a burial place for his slaves. John Black and wife, Mary Bingley, came from Tennessee in 1829 and settled three miles northeast of the present town of Anderson.

Infant grave marked with field stones.
MISCELLANEOUS GRAVES

2. Two graves in the Keith Community located at the northwest corner of land owned by L. V. Jarvis. They are over the north fence by a tree. One was shot as a result of a horse race.

3. Grave of a white man that wandered into the Keith community and worked for the family that lived at what is now the Sanford Blount place. The employer wanted to avoid paying the man his wages so he accused him of stealing a horse. A group of men came to get him and as he was leaving with them he told the lady of the house that he would see her later. The lady, after he left told another person, "That poor boy doesn't know he'll never see me again". Just a little piece down the road (now FM 244 going south) they stopped and hung him from a tree. A local man was later paid by the county to bury the unfortunate youth. He simply dug a grave, cut the rope, and let the body fall to it's final resting place. The grave was then covered. The killers were never brought to trial. Years later the man's brother came through the community looking for his brothers burial site. No one to whom he talked at the local store could assist him in his search.

Had he gone to the home of Jim Jarvis he would have found the grave, as it was a Jarvis relation that had conducted the burial. The man left and never returned. The grave site is North of County Road 172 on the left side of the road.

4. Grave of a man that worked on the railroad that died in 1906 in the Carlos community. Buried near the Ross Jarvis home.

5. Grave between the home of A drain Allen and Mauriene Allen Morris in the Piedmont community.

6. Grave in the Keith Community on FM 244 where the road bends to the right. There are two houses almost across the road from the other. Then a house on the right. The grave is past the house behind a grove of trees. Barn can be seen from the highway. At one time an iron fence and gravestone marked the spot, but nothing remains at this time. It all vanished in the 1940's. Truitt Stuckey remembers that the grave site was that of a man.

7. In the Dry Creek Community are the graves of two women and a child. One of these was killed when a team of horses ran away with them. Dry Creek Community is near the Mabry Cemetery which is also enumerated in this book.

MUSTANG CEMETERY

Copied about 1986 by John R. Maxwell of Keith. To reach this cemetery take Highway 30 east out of Shiro. Turn left on Highway 2620 and go past Independence Cemetery on the left. About 2 miles up 2620, County Road 227 will cross the highway. Turn right and go about 3.5 miles. On your left is a curve and you will see the sign "MUSTANG". Follow the drive to the cemetery.

The graves begin at the right of the gate. We are sorry that they are not arranged in rows, but this was not possible as there are few true rows.

NELMS FAMILY CEMETERY

Turn off Highway 90 in Anderson onto Highway 149 west. Go about 1 mile to Boehm Lane and turn right. When the road divides, stay right and follow the road to the home of Cecil and Elsie Cummings. The cemetery is in the pasture behind their home. The graves of the Nelms family are enclosed within a chain link fence with no gate.

Outside the fence are buried several slaves that belonged to the Nelms family. They were bought on the auction block in New Orleans and brought to Anderson and Grimes County. To the right rear of the Cummings house, on a hill, is the site of the Nelms Family Home. The slave quarters were down the hill.

The following are buried in the family cemetery. There is one large tombstone with names and dates on all four sides.

OAKLAND CEMETERY

Located in Roans Prairie, take HWY 30 east from Roans Prairie. Turn right on HWY 2562 and then right on Grimes County Road 219. The cemetery is about one mile down this road.

Mrs. Frieta Floyd who is in charge of the cemetery stated that at one time there were wooden markers in the cemetery that were destroyed by a fire that swept through the cemetery.

ODDFELLOWS CEMETERY

The location of the Oddfellows Cemetery, on a beautiful hill about one mile west of the courthouse, was given by Mrs. John F. Martin. She and her husband, living in a house down the hill, were planning on building their new home under the tall oaks on the high hill. In February, 1846, Mr. Martin suddenly became ill and died. His widow, the former Caroline Hadley, had him buried under the tall oaks which he loved and where their home would have been. Later, after having been used as a family cemetery, the land was given to the Oddfellows Lodge and became known as the Anderson Oddfellows Cemetery. It was enlarged with land owned by Christian Becker.

Many markers honoring heroes of the past have been placed in the cemetery.

This account was taken from the book, Heritage & Progress, A History of Grimes County, Texas, published by the Grimes County Historical Commission. Tombstones in this cemetery were copied May-June, 1992 by John R. Maxwell of Keith and Lou Ann Eubank Wagner of College Station, Texas.

NOTE: There are no true rows in this cemetery and often some graves may be at the foot of others. Section One ( Begins at the left side of the main gate).

GRAVESITE OF MEXICAN FRANK

This person, surname unknown lived in Anderson in the early  
1900's and operated a small  
cafe known as "Mexican Franks"  
Following his death he was  
buried near the Odd Fellows  
Cemetery on a hill west of town.
OLD SALEM CEMETERY

To reach the cemetery go 2.6 miles from the overpass in Navasota on Highway 90 toward Anderson. Turn right on County Road 409 and go .8 mile to a driveway on the right. This drive will fork. Take the right fork and go .3 mile past a two story gray house and through the gate. The cemetery is on the right in the woods.

This cemetery is on land owned by Mrs. W. D. Purvis of Navasota. She lives in the gray house. According to her, the cemetery was started in slavery days. This land was a Mexican land grant.

Allen Robinson accompanied me to the cemetery and assisted in finding many of the graves. The graves are scattered over about an acre. Many are difficult to find as the area is overgrown in places. Several graves were at one time surrounded by small fences.

* Indicates a grave for which no marker was found.

OLIVER FAMILY CEMETERY

Turn left off Highway 149 in Richards onto 1486 North and go 0.4 of a mile. You will pass a white frame house on the right. Access to the cemetery may be gained by stopping at this house and going through the back yard and turning left after you pass a small barn or shed. You may also go 0.4 of a mile from the intersection of 149 and 1486 and cut through the fence to the cemetery.

PETEETE CEMETERY

Go down County Road 176 in Singleton. Go 1.9 miles and cross over a cattle guard. Go 2.4 miles to a barn on your left and go through the gate beside the barn and then a second red metal gate. There will be a red metal gate to your right but keep straight ahead. Go into the hay meadow and head for the far fence. On your right near the far fence there will be a hay barn and near the corner of the property line. From that corner go at an angle, about 1000 feet to a tall pine tree. Under the tree is the cemetery. The property is owned by J. L. Clary.

PINE CREEK SLAVE CEMETERY

Located in Shiro, Texas.

The accompanying map will show the approximate location of the slave cemetery. It is thanks to John M. Riley (3370 Princeton CT., Santa Clara, California, 95051 (408) 241-9440) that this data was made available. The following is an excerpt from a letter written September 22, 1991 by Mr. Riley.

Jessee Blume, (417 Jasmine, Lake Jackson, Texas 77566, (409) 297-4583) told me a story which might be of interest to the fellow doing the cemetery work. He was hunting with my Uncle Turffee Morris and the day being hot, they stopped to get a drink of water from the creek. Turffee had a devilish sense of humor. After Jessee had drunk his fill, he asked if the water tasted good. Jessee said it tasted good enough to him. Turffee laughed and pointed across the creek to a series of regular mounds. He said Jessee was drinking water from a slave cemetery. Jessee told me it did indeed look like a cemetery, though there were no markings visible. I have marked the approximate location on Pine Creek. Jessee owns my grandmother's house in Shiro and my brother has the farm.
PINEY WOODS CEMETERY

There is a sign on the highway for the Apolonia Cemetery. There is a drive that divides the cemetery as you enter the main gate.

Piney Woods Cemetery is a Negro cemetery.

PYLE CEMETERY

This cemetery is on FM 244 north of County Road 172 at the former site of the Old Keith Store. Go north to County Road 166 and turn in the gate to your left. The graves will be to your right near the home of Sanford Blount. The fieldstone's that mark the graves are either missing or almost buried in the dirt.

About the year 1866, Samuel Andrew Jackson "Jack" Pyle, his second wife Mary Ann Headrick, his daughter Louisa Vaughn (Daughter by his first wife, Almyra Abbott), her husband, James Ackerman Vaughn and their daughter, Susan A. Vaughn, and his 5 children by his second wife, namely, Samuel Andrew Jackson, Jr., Milford "Dump", James Marion "Buck", Frances and Jefferson Davis arrived in Grimes County. A daughter, Mary R, was born after their arrival in Grimes County. The only two graves of which I am certain are as follows.

2. Mr. ? Mayes

There are at least two other graves.

Mary Ann, his second wife, was buried in the Martins Prairie Cemetery. She was born May 20, 1828, and died November 15, 1904.

Louisa Pyle Vaughn and infant child, died in 1868, and according to family tradition were buried in the Trant cemetery.

The children of Samuel A. J. Pyle and Mary Ann Headrick Pyle were buried as follows:

- Milford "Dump" Pyle - Martins Prairie Cemetery, Keith, TX
- James Marion "Buck" Pyle - Concord Cemetery, Iola, TX
- Francis Pyle Burns - Martins Prairie Cemetery, Keith, TX
- Jefferson Davis Pyle - ?? Cemetery, Rosebud, TX
- Mary R. Pyle Grissitt - Martins Prairie Cemetery, Keith, TX
- Samuel Andrew Jackson Pyle J R, was deceased in 1880. His wife and two small daughters were living in a different household, and he could be one of the other graves.

- Susan Vaughn Conlee, daughter of James Ackerman Vaughn and Louisa Pyle (wife of Preston Conlee) lived on this place and had the following children to die in infancy:
  - Beulah Sealine Conlee
  - Columbus Stedman Conlee, died 1884.

They may well be the other graves.
RATLIFF CEMETERY

Take Highway 30 east out of Roans Prairie. Turn right onto FM 2562 and go to County Road 219. When you get to the first house on your left (large white house) turn right onto a cattle guard into Mr. Bracewell's pasture. From the road it will be about 1.7 miles to the cemetery. When you come to the board fence around the cemetery grounds go in the gate, turn right and walk around to the front of the cemetery. It would be best if you stopped at Mr. Bracewell's house and secure permission to cross his property.

The following graves are enclosed in a fieldstone fence.

The following is inscribed on a historical marker on the cemetery grounds.

On this hill once stood a small fort built by JOSHUA HADLEY and used by the settlers in the community as a place to gather for protection during an Indian raid. In 1840, on one such occasion, a young woman, Mrs. Taylor, took refuge here with her two children. *Her husband was at the home of Anthony D. Kennard about two miles east of here. She became hysterical and set out with her two children to join her husband. The Indians captured her within sight of the fort, killed and scalped her taking the children with them. The settlers pursued and succeeded in recapturing the children unharmed except that one had an arrow through his hand. The lady was buried at the site of her death with only a broken rock to mark the spot. The exact location is unknown. She was the last person to be killed by Indians in Grimes County. The old fort later became the home of the Ratliff family.

* There is another story that Mrs. Taylor received word that her husband had been murdered at the Kennard home. She set out to see his remains and meet her fate. This account was taken from the history of Roans Prairie which appeared in the book "Heritage and Progress, The History of Grimes County, Texas."

Another burial on or near this hill is as follows:

Joshua Hadley died in 1845 in a fall from his horse. He was born 1786 in the state of North Carolina. He was a member of the Convention of 1832, The Consultation of 1835, Alcalde of Washington Municipality, 1835, Soldier in the Army of Texas, 1836.
At his death, he left a widow, Joyce Vickers Floyd Hadley and three children. Joshua, William and Anthony D., as well as two stepsons, David B. Floyd and James Vickers Floyd to mourn his passing. Joyce Hadley later married Hugh McGuffin.

Another burial would be as follows: *

HADLEY, Obedience Grantham born about 1800 in either North Carolina or Tennessee. She was the first wife of Joshua Hadley. Their land application was dated February 1831. They had five children, namely: Denny Porterfield, Travis King, Caroline, Grantham H. & Henry F. Obedience Grantham Hadley died in 1839.

*This data from Early History Of Grimes County by Blair, a copy of which is in the Navasota Library Grimes County, Texas

The cemetery is located in Shiro, Texas. From the intersection of 30 and 1486 in Shiro, go east on 30 about 4 miles to a lane on the right. It will be the last lane to the right before you come to the Grimes County and Walker County line. Turn and go about .4 of a mile to a brick house on the left. After you pass the house, there will be a medal gate on the left. The cemetery can be seen from this gate. John Henry Satcher lives in the brick house near the cemetery. He was so kind to drive me to the cemetery.

SHIRO RED TOP CEMETERY

Shiro Red Top Cemetery is located on Highway 30, east of Shiro.

This site, which includes the original site of the Shiro Presbyterian Church, was a gift of Jesse Bookman, October 23, 1857. The RED TOP COMMUNITY for which the cemetery was named derived its name from the men of the community who wore boots with a red top.

WALKER CEMETERY

This cemetery is located in Roans Prairie, Texas on the same road as the Anthony D. Kennard cemetery. From Roans Prairie take Highway 30 east to Highway 2562. Turn right and 2.2 miles. As soon as you pass Grimes County Road 217, on the left, you will see a house. Pull off the road and go through the fence on the right hand side of the road. The cemetery is in a small thicket.

WALLER CEMETERY

To reach this cemetery go out of Anderson on Highway 1774. Turn left on County Road 215 which will become County Road 210. Follow to the cemetery.

According to Marcus Mallard, this cemetery is located in the Elizabeth J. Graham survey. It is situated seven miles south of Richards and ten miles east of Anderson. It is about a mile south of where the Sulphur Branch School was located.

According to R. L. Webb, the cemetery is 112 years old. A child of John W. and Francis Waller was the first person to be buried there.

When I (J. R. Maxwell) first visited the cemetery in 1986, there was no sign over the gate. One has since been erected (in 1992). A pavilion, complete with picnic tables, was also erected in 1992. The date over the gate is 1867.

John W. Waller was the man who owned and operated the tan yard near here during the Civil War. The remains can still be seen near Waller Lake.
